annual 4-H project plan

Project Sheep Year 2012

What I want to do and learn in this project (goals)

learn about different deworming methods in sheep
 find out through collected data which dewormer works and which doesn't by using the FAMACHA Deworming method. Learn about the different types of worms that infect sheep

How I plan to reach my goals

Research about different kinds of worms
 Check my flock monthly using the FAMACHA method

Resources I can use (money, supplies, equipment, help from others, reference material, etc.)

My flock, our FAMACHA records, books, the internet
