Project Performing Arts & Recreation Year 2013

What I want to do and learn in this project (goals)

This year I hope to greatly further my performing skills. I hope to learn more about music and dance. I want to become more with local theatre productions and become a better actor. I hope to become a better speaker and performer overall. I would also like to start a performing arts project group in my county.

How I plan to reach my goals

In 2012 I started taking 2 more dance classes, totalling in three weekly dance classes. I am also dancing in Once Upon A Time the ballet this spring. I have also started taking acting and singing classes. My county is very open to building project groups and will certainly help me with this dream.

Resources I can use (money, supplies, equipment, help from others, reference material, etc.)

I have started making a little money through a face painting business that I use to pay for my various classes. With the performing arts project group, I have many friends and know many people that would be willing to donate time and materials for the group.

annual 4-H project plan

What I learned (knowledge and skills)

Last year, I truly truly furthered my performing arts experience. I became a full-time member of the 4-H performing arts troupe, acted in half a dozen plays, and tripled my number of dance classes. My mission trip to Peru was a tremendous success and an amazing experience.

I feel I met my goals (or did not meet my goals) because

I feel I absolutely met my goals! I didn't necessarily teach others about acting, rather I learned more myself. Even though there was a language barrier in Peru, I got to perform skits through a translator. I also won the state public speaking competition!

Resources I used (money, supplies, equipment, help from others, reference material, etc.)

I took classes, participated in workshops, and traveled the country of the world. I had training in dance, acting, and extemporaneous speaking.

Other things I would like to do (future goals)

I hope to continue learning about dance and acting. I would like to be in/ make more movies. I would also like to improve my improvisation and public speaking skills.
